## OPEN LETTER

*February 2017*

Dear Parents / Guardians,

Greetings from Zhangde Primary School. We hope that the year started well for your children.

In a few days' time, we will be celebrating Chinese New Year.

*To all our Chinese Staff and Students, we wish you a happy and blessed Chinese New Year!*

### **1) Lunar New Year Hong Bao Blessing Project 2017**

In conjunction with the upcoming Chinese New Year celebrations, Zhangde Primary School will be collaborating with TOUCH Community Services for their Lunar New Year Hong Bao Blessing Project. This collaborative effort provides an opportunity for us to instil the values of giving, compassion and empathy in our children. The donations collected will be able to help support the services that TOUCH Community Services provide. Thus, we would like to encourage your child/ward to participate in this charity drive. Let's take this opportunity to provide your child/ward with a chance to care and share.

Students can place their personal contributions in the Hongbao packets provided and submit them to their form teachers by **1<sup>st</sup> February 2017**. Your encouragement and support is critical to the success of this project which will enable TOUCH community Services to provide essential services for the disadvantaged children and their families.

### **2) Edusave Scholarship and Awards**

MOE started the Edusave Scholarship and Awards scheme to reward students who have performed well or who have made good progress in their academic or non-academic areas. In 2013, the Edusave Character Award was also given out to recognise students for demonstrating exemplary character and outstanding personal qualities through their behaviour and actions. A selection panel comprising of school personnel, School Advisory Committee and Parent Support Group members were involved in the selection process.

As at January 2017, our school had a total of

- 43 Primary 5 & Primary 6 students who received cash vouchers for the Edusave Scholarship;
- 284 Primary 1 – Primary 6 students who received cash vouchers for the Edusave Merit Bursary Award;
- 104 Primary 2 – Primary 6 students who received cash vouchers for the Good Progress Award;
- 48 Primary 4 – Primary 6 students who received cash vouchers for the Edusave Awards for Achievement, Good Leadership and Service (EAGLES); and
- 15 Primary 1 – Primary 6 students who received the Edusave Character Award (ECHA).

The 15 ECHA recipients are:

For more information about the Edusave Scholarship and Awards scheme, you may refer to the MOE website: <https://www.moe.gov.sg/education/edusave>.

### **3) Safety of your child at School Zone**

As you approach the school along Jalan Membina, you would have noticed the red-textured surface and “SCHOOL” markings on the road outside our school. There are also traffic lights installed just outside the school. These road safety measures are part of the School Zone Scheme implemented by the Land Transport Authority (LTA) to improve road safety for all primary schools. This scheme highlights to motorists that they are approaching a primary school and should therefore take extra care, slow down, and be alert to look out for school children crossing the road. As you may encounter heavy traffic during school days especially between 7.15 am to 7.30 am as well as during dismissal times in the afternoon, we seek your understanding to exercise patience when you bring or fetch your child to and from school.

If you drive your child to school, please drop off your child and allow him / her to walk towards the school lobby by himself / herself so as not to hold up the traffic at the drop off point. Do avoid parking in the school as they are reserved for our staff only.

If you walk your child to school, please set a good example by crossing the road at the traffic lights located outside the school and enter via Gate 3.

LTA has implemented the road safety measures to safeguard the safety of school children. However, it requires your cooperation to make them work effectively. The public road is a shared space for all road users; let us be more gracious and considerate the next time we are in a school zone. If you require more information on the School Zone Scheme, you can call the LTA at 1800-2255 582 or visit the One.Motoring website at [www.onemotoring.com.sg](http://www.onemotoring.com.sg).

## ***General Information...***

### ***4) Annual Health Check***

The School Health Service will be visiting the school from 27<sup>th</sup> March to 7<sup>th</sup> April 2017 (Term 2, Week 1 & 2) to conduct the annual health screening exercise. During the visit, the health team will need all relevant past and current medical information about your child and your consent for immunisation (for P1 and P5 students only). Form teachers will be collecting the health booklets as well as any medical and immunisation records from all students.

Parents of P1 and P5 students will also receive an information booklet on the School Health Service. In the booklet, there is a form where parents need to provide information on their child's past medical history and information on allergies. Immunisation will be scheduled for the P1 and P5 students. Parents with children in these levels will need to sign the consent forms attached in the information booklet. Please return both forms to your child's form teacher by **Monday, 6<sup>th</sup> March**.

More information about the annual health check will be given to you in the March Open Letter.

### ***5) School Starting Time***

Since 2013, all students have been reporting to the hall by **7.30 am daily** with the exception of Fridays where they report to their respective classrooms. We have seen a declining number of students coming to school later than 7.30 am and this is good effort on the part of your children. We therefore continue to seek the cooperation of all parents to help us to instil in our students the value of **PUNCTUALITY**.

### ***6) Lessons for P6 students during the school holidays***

During the June and September holidays, the school will be organising classes in the morning for our P6 students. We hope to give you advance notice so that you can help us ensure that your children turn up for these lessons which have been specially organised for them in preparation for their PSLE.

The following are the dates of the lessons:

<b>Lessons for P6 Students During...</b>	<b>Dates</b>
June Holidays	Monday, 29 May – Wednesday, 31 May
September Holidays	Monday, 4 September – Wednesday, 6 September

## ***Important Announcements...***

### ***7) Selection Trial for Revised Junior Sports Academy (JSA) Programme 2017***

Children should explore, discover and develop their areas of interest and strengths across a wide range of different domains. The JSA Selection Trial aims to identify Primary 4 students with high natural physical ability so as to offer them a 2-year broad-based physical sports programme that strengthens their overall motor skills. These students will explore and discover their strength and passion in a range of sports at the primary school level, and subsequently to make an informed choice to commit to one of them with more targeted support from schools and relevant sports organisations at the secondary school level and beyond. There will not be any test on sport-specific skills. Instead, the test battery for the selection trial is based on generic motor ability, which is non-sport specific in nature. Students are therefore not required to do additional training or preparation for the trial.

Selected P4 students will participate in a two-year broad-based physical sports programme (from Primary 4 Semester 2 to Primary 6 Semester 1). They will choose four sports modules to participate in. Each sports module is conducted once a week over one semester, followed up with sports-related workshops at the end of the module. Selected P5 students may participate in a one-year programme and choose 2 sports modules (from Primary 5 Semester 2 to Primary 6 Semester 1). The programme will be conducted mostly at JSA centres hosted in schools near MRT stations and spread across Singapore to

facilitate easy access. At the end of the JSA programme, students will have a stronger sports foundation. They will be more aware of their sporting strengths, interests and sports more suited for them.

The JSA Selection Trial 2017 will be conducted over two Saturdays on 4<sup>th</sup> and 11<sup>th</sup> March, at the Singapore Sports Hub (OCBC Arena). Students only need to attend a 3-hour session on one of the dates. Nomination for the selection trial will be done through the schools. Should parents wish to nominate their child for the trial or have further queries, please contact our HOD PE/CCA/Aesthetics, Mdm Catherine Chung at Tel: 62740357.

**8) NLB Mass Borrowing Activity: Books 2 Go**

Zhangde Primary School has been collaborating with Bukit Merah Public Library for the NLB Mass Borrowing Activity over the last few years. NLB will be conducting the first mass borrowing activity for the year from Monday, 6<sup>th</sup> to Wednesday, 8<sup>th</sup> February. During the mass borrowing activity, the teachers will be bringing the students to the either the library or ISH Band Room to borrow the books during designated curriculum periods.

The school would like to seek the assistance of all parents to ensure that your child / ward has the opportunity to borrow books during this period by doing the following:

- Ensure your child / ward brings his/her school Ezlink card / library card on that day.
- Pay the fines (if any) in your child’s / ward’s library account at any public library.
- Return all NLB books borrowed in your child’s / ward’s account before the mass borrowing activity to any of the public libraries by the due date that is indicated on the loan receipt.
- If your child / ward has lost his / her school Ezlink card before, do report the loss at any of the public libraries and make a new library card. *(Note: A fee of \$1.00 applies for a new library card.)*

In addition, you are encouraged to sign up for myLibrary, a suite of enhanced e-services. With the myLibrary ID, you will be able to view your child’s / ward’s borrowing record as well as activate the free reminder service. The reminder service will prompt you to return the books which your child has borrowed, on time. To register, visit [www.nlb.gov.sg/account](http://www.nlb.gov.sg/account) or their self-service e-Kiosks at any of the public libraries.

For books borrowed through the NLB Mass Borrowing Activity, all parents are to ensure that the books borrowed are returned at any of the public libraries by the due date, which will be indicated on the borrowing receipt.

For further assistance, please call the NLB Helpdesk at 6332 3255.

### ***Concluding Remarks...***

#### Values of the Term (VOTT)

*Before you speak...*

**THINK**

*T – Is it true?*

*H – Is it helpful?*

*I – Is it inspiring?*

*N – Is it necessary?*

*K – Is it kind?*

For the month of February, we focus on the school value of Respect, This value encompasses respecting themselves and others. The Values of the Term (VOTT) will also be related to that school value. Students will hear from the teachers and school leaders how the school value of Respect is demonstrated in their everyday lives. We seek your assistance by reinforcing in our students the value of *Respect* at home.

Thank you and have a wonderful month ahead!

Warmest Regards,

Miss Loh Sing Huay  
Principal
