The Singapore Youth Festival Art Exhibition, in its 49th year in 2017, celebrates the artist in every child. It showcases children’s creative ideas, personal aspirations and hard work put into artistic expressions. The 2017 Exhibition features 513 artworks by 3472 students from our primary schools, special education schools and the Singapore International School (Hong Kong). It is a tribute to the deep learning and rich experience our students gain through the art curriculum in schools. The theme for this year, “**Artist and Space**” invites our student artists to imagine, inquire and discover many ways to interpret and express the concept of ‘space’. In the process, they found inspiration from people, places, objects within their environments and created artworks that are personal and meaningful to them.

This year, the works of the students are also presented via an online gallery within the SYF website, enabling our students’ artworks to be viewed by a world audience. The online gallery is accessible at <https://www.singaporeyouthfestival.sg/art-exhibition/the-online-art-gallery>.

For more information on the Singapore Youth Festival Art Exhibition exhibition, please visit the website at <https://www.singaporeyouthfestival.sg/art-exhibition/about-2017-art-exhibition>.

Well done, Zhangderens! A big thank you goes out to our teachers, Miss Tan Chu Wei and Miss Joyce Lim for their guidance!

Important Announcements...

3) *Safety of your child at School Zone*

As you approach the school along Jalan Membina, you would have noticed the red-textured surface and “SCHOOL” markings on the road outside our school. There are also traffic lights installed just outside the school. These road safety measures are part of the School Zone Scheme implemented by the Land Transport Authority (LTA) to improve road safety for all primary schools. This scheme highlights to motorists that they are approaching a primary school and should therefore take extra care, slow down, and be alert to look out for school children crossing the road. As you may encounter heavy traffic during school days especially between 7.15 am to 7.30 am as well as during dismissal times in the afternoon, we seek your understanding to exercise patience when you bring or fetch your child to and from school.

If you drive your child to school, please drop off your child and allow him / her to walk towards the school lobby by himself / herself so as not to hold up the traffic at the drop off point. Do avoid parking in the school as they are reserved for our staff.

If you walk your child to school, please set a good example by crossing the road at the traffic lights located outside the school and enter via Gate 3.

LTA has implemented the road safety measures to safeguard the safety of school children. However, it requires your co-operation to make them work effectively. The public road is a shared space for all road users; let us be more gracious and considerate the next time we are in a school zone. If you require more information on the School Zone Scheme, you can call the LTA at 1800-2255 582 or visit the One.Motoring website at www.onemotoring.com.sg.

Please refer to the attached joint letter issued by Singapore Police Force, LTA and the school. We seek your co-operation to work with the school to ensure the safety for our students coming to and leaving school

4) *P2 – P6 After-School Activities Structure for Semester 2*

In order to support the holistic development of your child, the school has put in place a series of after-school activities. For all school-organised activities that are conducted beyond school hours or out of school, your child will be given a Consent form to be signed by you and returned before the start of any school activity. Likewise, you will also be informed through a Cancellation form should any school event or activity be cancelled. Please refer to Annex 2 for the After-School Activities Structure for Semester 2.

5) P6 Prelim Exams Timetable

All P6 students will receive their Prelim Exams Timetable by this week. We seek your help to work with our teachers to prepare our students well for the examination.

6) After-School Lessons for P6 students during the September school holidays

During the September school holidays, the school will be organising After-School Lessons for our P6 students. The lessons will be conducted from **Wednesday, 6th September to Friday, 8th September** from **8 am – 12 pm**. Do ensure that your child attends all the lessons. All absences must be covered by either a letter or medical certificate.

7) Photographs/Images of Pupil for Informational and Developmental Purposes/ Non-Commercial Use

Photographs or images that include your child/ward may be used in publicity materials, presentations, website or other related materials of the school. It may be in any format such as print, electronic, video, web or other media for documentation, informational and developmental purposes or non-commercial use. Please write to the school at zhangde_ps@moe.edu.sg if you do not wish the photographs or images that include your child/ward to be used.

General Information...

8) School Starting Time

Since 2013, all students have been reporting to the hall by **7.30 am daily** with the exception of Fridays where they report to their respective classrooms. We have seen a declining number of students coming to school after 7.30 am and this is good effort on the part of your children. We therefore continue to seek the co-operation of all parents to help us to instil in our students the value of **PUNCTUALITY**.

9) Name Tags

Name tags are part of the school uniforms. All students must have a nametag ironed on to their uniforms for easy identification. **The nametag should be placed just above the school badge.** If you have not purchased for your child the nametags, kindly proceed to the school bookshop to purchase them. The cost is \$4.00 for 6 pieces of nametags.

10) Instructions on How to Wash Our School Uniform

Below are instructions on how to wash our school uniform so that the students can look smart in them:

- The best way to wash the T-shirt is by hand. If you are using the washing machine, put the T-shirt in a laundry bag.
- Turn the T-shirt inside out before washing and drying.
- Use cold water only so that the T-shirts will not fade as fast.
- Do not soak the T-shirt for more than one hour. New T-shirts should not be soaked more than 30 minutes.
- Any food or chemical stains on the T-shirts should be removed as soon as possible.
- Use the fabric softener on clothes to get the best washing results.
- Do not use bleach or detergent with bleaching agent to wash the T-shirt because they contain chemicals that can cause the embroidery to fade. Do not use the dryer.
- Do not brush the T-shirt too hard as this may damage the embroidery.
- Once rinsed, invert the T-shirt to dry. Strong sunlight can cause fading of the colour of the T-shirt & embroidery of the school crest.
- Ironing T-shirts that have been washed and dried will help to make the T-shirts more durable.

11) School Shoes and Socks

As stated in the Student's Dairy 2017, only PLAIN BLACK shoes and white/off-white socks are allowed. Ankle socks are not allowed. We seek parents' cooperation to ensure that the school rules are adhered to.

P3 to P6 students are only allowed to wear their sports shoes to school on Fridays when there is CCA. On all other days when the students have CCA extra practices or other sports-related activities in the afternoon, they will be required to wear the school black shoes during school curriculum time and only change into their sports shoes before the start of their CCA extra practices or activities.

12) NLB Mass Borrowing Activity: Books 2 Go

Zhangde Primary School has been collaborating with Bukit Merah Public Library for the NLB Mass Borrowing Activity over the last few years. We had a very successful exercise in Semester 1 and will be conducting our next bulk borrowing for the year in Term 3 from Monday, 17th to Wednesday, 19th July. During the mass borrowing activity, the teachers will be bringing the students to the school library to borrow the books during designated curriculum periods.

The school would like to seek the assistance of all parents to ensure that your child / ward has the opportunity to borrow books during this period by doing the following:

- Ensure your child / ward brings his/her school Ezlink card / library card on that day.
- Pay the fines (if any) in your child's / ward's library account at any public library.
- Return all NLB books borrowed in your child's / ward's account before the mass borrowing activity to any of the public libraries by the due date that is indicated on the loan receipt.
- If your child / ward has lost his / her school Ezlink card before, do report the loss at any of the public libraries and make a new library card. (*Note: A fee of \$1.00 applies for a new library card.*)

In addition, you are encouraged to sign up for myLibrary, a suite of enhanced e-services. With the myLibrary ID, you will be able to view your child's / ward's borrowing record as well as activate the free reminder service. The reminder service will prompt you to return the books which your child has borrowed, on time. To register, visit www.nlb.gov.sg/account or their self-service e-Kiosks at any of the public libraries.

For books borrowed through the NLB Mass Borrowing Activity, all parents are to ensure that the books borrowed are returned at any of the public libraries by the due date, which will be indicated on the borrowing receipt. For further assistance, please call the NLB Helpdesk at 6332 3255.

13) Family Matters @ School Workshop

Dear Parents/Guardian,

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children may not have the skills required to use roads properly and do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

This letter reiterates the road safety policies of the school:

- a. Reduce vehicle speed and stay alert for pedestrians in the school zone.
- b. Cooperate with traffic marshals to ensure overall safety and smooth traffic flow.
- c. Let your child alight only at the designated drop-off point.
- d. Be advised not to violate traffic rules by driving recklessly or making illegal maneuvers such as turning into the school from the outer lane(s) of the road.
- e. Do not horn indiscriminately.
- f. Help your child alight from the car as quickly as possible.
- g. Reinforce correct road safety behavior such as using the pedestrian crossing, and avoiding jaywalking or using a handphone while crossing.
- h. Remind your children to practice the kerb drill before crossing - “look right, look left, look right again, ensure all vehicles have stopped, raise your hand high up and cross the road briskly”.
- i. If your child must cycle to school, ensure that he knows safe cycling rules and is a competent cyclist.

For the safety of everyone, enforcement action will be taken against motorists who violate traffic rules.

We thank all parents and guardians who have been the role models for our children.

On Behalf of SPF and LTA

Loh Sing Huay (Ms)
Principal of Zhangde Primary School
