OPEN LETTER *September 2017*

Dear Parents / Guardians,

Some months in a school year are more special than others. September is one such, as traditionally it is linked to all teachers. In Singapore, a special day is set aside every year to honour teachers. Before Term 3 ended, 31st August was a day set aside for us to pay tribute to our teachers who have made a profound and lasting impact on the students. The poem below, *A Tribute to Teachers* 《教师节感言》 by Dr Tan Ching Yam, a pioneer educator who taught for 46 years, sums up the essence of a teacher's vocation and calling.

老师，谢谢您。
您宛如明灯，
引导了我们，
走向光明的
道路。

To my dear teacher, thank you.

You are like a lantern,
that guides us towards the path of light.

是您灌输了我们有用的知识和技能，
塑造了我们
高尚的人格和
品德。

It is you who imparted useful knowledge
and skills, developed our noble character
and morals.

您敬业乐业，
无私的奉献，
为国家培育出无数的人才；
为建设新加坡的繁荣与进步，
尽一份力量。

Your professionalism, your selfless
contribution, has nurtured countless talents
for the country.

Your efforts have brought Singapore
prosperity and progress.

谢谢您，老师！
敬祝 您
教师节快乐
安康

Thank you, my dear Teacher!

Wishing You A Happy Teachers' Day and
peace and health.

Join me in saluting ZPS teachers in your heart for their tireless efforts, diligence, dedication and determination. Extend a sincere tribute to each of them for they TEACH to Inspire!

Important Announcements ...

5) PSLE Listening Comprehension Examination

On **Friday, 15th September**, our P6 students will be sitting for the PSLE Listening Comprehension Examination. Please note that there will be no lessons for all P1 to P5 students on that day.

6) PSLE Written Examinations

The PSLE written papers will be held from 28th September to 4th October 2017. As mobile phone or any electronic devices capable of storing and retrieving information are not allowed during National Examination, please do not allow your child to bring them to school. We hope that our children will do well in their PSLE and make it to the schools of their choice. Allow me to share some tips gleaned over the years as an educator on how we can be there for our children:

- a) Children study best in an environment that is free from distractions. These may include the computer, TV or bed.
- b) Balanced and nutritious meals will benefit a child's health and breakfast is the most important meal of the day. Hot food and drinks can also be bought at the school canteen from 6.45 am and during recess time daily.
- c) Our children may need support in planning their studies wisely. We can help them by working out a study timetable that includes a break time as well.
- d) Children, like adults, are encouraged by recognition. Recognise and acknowledge the improvements made, be it in marks, grades or in effort.
- e) Do support them as they study or complete their homework. Your presence do wonders for their confidence and reassures them that you are behind them.
- f) If you notice that your child is showing signs of stress, feel free to contact us and our school counsellors, Ms Kanchana and Ms Mou Wai Nor who will be available to help your child.

To our P6s, hard work will always pay. We wish you all the best in the upcoming PSLE.

7) Children's Day – Friday, 6th October

Friday, 6 October is a scheduled school holiday in view of Children's Day. There will be **no** school on this day. A separate letter has been sent out for our school's Children's Day celebrations that will be held on Thursday, 5th October at Delta Sports Complex.

9) NLB Mass Borrowing Activity: Books 2 Go

Zhangde Primary School has been collaborating with Bukit Merah Public Library for the NLB Mass Borrowing Activity over the last few years. We had a very successful exercise in Semester 1 and will be conducting our last bulk borrowing for the year from Tuesday, 19th September to Thursday, 21st September. During the mass borrowing activity, the teachers will be bringing the students to the school library to borrow the books during designated curriculum periods. The school would like to seek the assistance of all parents to ensure that your child / ward has the opportunity to borrow books during this period by doing the following:

- Ensure your child / ward brings his/her school Ezlink card / library card on that day.
- Pay the fines (if any) in your child's / ward's library account at any public library.
- Return all NLB books borrowed in your child's / ward's account before the mass borrowing activity to any of the public libraries by the due date that is indicated on the loan receipt.
- If your child / ward has lost his / her school Ezlink card before, do report the loss at any of the public libraries and make a new library card. (*Note: A fee of \$1.00 applies for a new library card.*)

In addition, you are encouraged to sign up for myLibrary, a suite of enhanced e-services. With the myLibrary ID, you will be able to view your child's / ward's borrowing record as well as activate the free reminder service. The reminder service will prompt you to return the books which your child has borrowed, on time. To register, visit www.nlb.gov.sg/account or their self-service e-Kiosks at any of the public libraries.

For books borrowed through the NLB Mass Borrowing Activity, all parents are to ensure that the books borrowed are returned at any of the public libraries by the due date, which will be indicated on the borrowing receipt. For further assistance, please call the NLB Helpdesk at 6332 3255.

10) Financial Assistance Scheme for 2018

The Ministry of Education provides financial assistance to needy Singaporean students from our Government and Government-Aided Schools under the MOE Financial Assistance Scheme (FAS). Parents/guardians who need financial assistance may now apply for MOE FAS for 2018 by completing the application form that would be given out to your child and return it to the school by **Friday, 29 September 2017**. The application forms will also be available from the school general office. For more information, please refer to the information leaflet given out together with the application form to your child or visit www.moe.gov.sg/initiatives/financial-assistance/. Parents/guardians will be informed of the outcome by mid-November 2017.

Value of the Term (VOTT) - Resilience

(Sharing by the English Department on 11th September 2017)

Why is resilience important?

When Mr Thomas Alva Edison was asked how he felt to fail 1,000 times whilst inventing the incandescent light bulb, he replied, "Young man, I didn't fail. I found 999 ways that didn't work."

How can I build resilience?

Adopt a TOUGH Approach

T – Take care of yourself

O – Positive Outlook

U – Understand another point of view

G – Start a Gratitude Journal (Count Your Blessings)

H – Seek Help

Quote on Resilience

***Tough times do not last;
Tough people do!***

Calendar of Events for September & October

Please refer to Annex 1 for the calendar of events from the 2nd week of September to 4th week of October.

Concluding Remarks...

*Our greatest weakness lies in giving up.
The most certain way to succeed is always to try just one more time.
~Thomas A. Edison~*

Let's continue to have many beautiful moments with our children.

Thank you and have a wonderful month ahead!

Warmest Regards,

Miss Loh Sing Huay
Principal
