OPEN LETTER

February 2018

Dear Parents / Guardians,

Greetings from Zhangde Primary School. We hope that the year started well for your children.

In a few days' time, we will be celebrating Chinese New Year.

***To all our Chinese Staff and Students,
we wish you a happy and blessed Chinese New Year!
May the New year bring you abundance of happiness, good health and peace.***

On Thursday, 15th February which is Chinese New Year's eve, the students will be dismissed at 10 am and the general office will be closed at 1 pm.

School will resume on Tuesday, 20th February as Monday, 19th February is a school holiday.

1. Community Chest Children's Day Appeal 2017

A total of \$2,160.50 was collected last year by our school. We thank everyone for their generous donation.

2. Share-A-Meal 2018 by Compassion Fund

In conjunction with the upcoming Chinese New Year celebrations, Zhangde Primary School will be collaborating with the Compassion Fund, an organisation formed to help students whose families may be experiencing financial difficulty due to health or other unforeseen adversities.

We would like to invite you and your child to participate in this meaningful cause. This fundraising event not only benefits the beneficiaries under the Compassion Fund, it also provides us with an opportunity to instil the significance of giving, compassion and empathy in our children, and the sacrifice this sometimes entails.

For many students, the New Year celebrations is a time when there is an abundance of gifts and other goodies. Students are encouraged to give a part of their Hongbao collection or their savings to help someone else in need. They are to place their personal contributions in red packets or envelopes. Please ensure that your child's / ward's name and class are written clearly on the red packets or envelopes before submitting them to their form teachers by Friday, 23rd February 2018.

A token of generosity goes a long way. Let's take this opportunity to provide your child / ward a chance to care and share.

3. Edusave Scholarship and Awards

MOE started the Edusave Scholarship and Awards scheme to reward students who have performed well or who have made good progress in their academic or non-academic areas. In 2013, the Edusave Character Award was also given out to recognise students for demonstrating exemplary character and outstanding personal qualities through their behaviour and actions. A selection panel comprising of school personnel, School Advisory Committee and Parent Support Group members were involved in the selection process.

As at Jan 2018, our school had a total of

- 42 Primary 5 & Primary 6 students who received cash vouchers for the Edusave Scholarship;
- 71 Primary 1 – Primary 6 students who received cash vouchers for the Edusave Merit Bursary Award;
- 95 Primary 2 – Primary 6 students who received cash vouchers for the Good Progress Award;
- 64 Primary 5 – Primary 6 students who received cash vouchers for the Edusave Awards for Achievement, Good Leadership and Service (EAGLES) ; and
- 17 Primary 1 – Primary 6 students who received the Edusave Character Award (ECHA).

The 17 ECHA recipients are:

4. Safety of your child at School Zone

As you approach the school along Jalan Membina, you would have noticed the red-textured surface and “SCHOOL” markings on the road outside our school. There are also traffic lights installed just outside the school. These road safety measures are part of the School Zone Scheme implemented by the Land Transport Authority (LTA) to improve road safety for all primary schools. This scheme highlights to motorists that they are approaching a primary school and should therefore take extra care, slow down, and be alert to look out for school children crossing the road. As you may encounter heavy traffic during school days especially between 7.15 am to 7.30 am as well as during dismissal times in the afternoon, we seek your understanding to exercise patience when you bring or fetch your child to and from school.

If you drive your child to school, please drop off your child and allow him / her to walk towards the school lobby by himself / herself so as not to hold up the traffic at the drop off point. Do avoid parking in the school as they are reserved for our staff only.

If you walk your child to school, please set a good example by crossing the road at the traffic lights located outside the school and enter via Gate 3.

LTA has implemented the road safety measures to safeguard the safety of school children. However, it requires your cooperation to make them work effectively. The public road is a shared space for all road users; let us be more gracious and considerate the next time we are in a school zone. If you require more information on the School Zone Scheme, you can call the LTA at 1800-2255 582 or visit the One.Motoring website at www.onemotoring.com.sg.

5. School Starting Time – 7.30 am

We have seen a declining number of students coming to school later than 7.30 am and this is good effort on the part of your children. We therefore continue to seek the cooperation of all parents to help us to instil in our students the value of **PUNCTUALITY**.

General Information...

6. Annual Health Check

The School Health Service team will be visiting the school from 19th March till 26th March (Term 2, Week 1 & 2) to conduct the annual health screening exercise. Parents of P1 and P5 students will also receive an information booklet on the School Health Service. Immunisation will be scheduled for the P1 and P5 students. More information about the annual health check will be given to you in the March Open Letter.

Important Announcements...

8. Selection Trial for Junior Sports Academy (JSA) Programme 2018

Children should explore, discover and develop their areas of interest and strengths across a wide range of different domains. The JSA Selection Trial aims to identify Primary 4 students with high natural physical ability so as to offer them a 2-year broad-based physical sports programme that strengthens their overall motor skills. These students will explore and discover their strength and passion in a range of sports at the primary school level, and subsequently to make an informed choice to commit to one of them with more targeted support from schools and relevant sports organisations at the secondary school level and beyond. There will not be any test on sport-specific skills. Instead, the test battery for the selection trial is based on generic motor ability, which is non-sport specific in nature. Students are therefore not required to do additional training or preparation for the trial.

Selected P4 students will participate in a two-year broad-based physical sports programme (from Primary 4 Semester 2 to Primary 6 Semester 1). They will choose four sports modules to participate in. Each sports module is conducted once a week over one semester, followed up with sports-related workshops at the end of the module. Selected P5 students may participate in a one-year programme and choose 2 sports modules (from Primary 5 Semester 2 to Primary 6 Semester 1). The programme will be conducted mostly at JSA centres hosted in schools near MRT stations and spread across Singapore to facilitate easy access. At the end of the JSA programme, students will have a stronger sports foundation. They will be more aware of their sporting strengths, interests and sports more suited for them.

The JSA Selection Trial 2018 will be conducted over two Saturdays on 24th February and 3rd March, at the Singapore Sports Hub (OCBC Arena). Students only need to attend a 3-hour session on one of the dates. Nomination for the selection trial will be done through the schools. Should parents wish to nominate their child for the trial or have further queries, please contact our HOD PE/CCA/Aesthetics, Mdm Catherine Chung at Tel: 62740357 by Monday, 19th February.

Concluding Remarks...

Values of the Term (VOTT)

Sharing by CCE Department on 2nd February 2018

~Respect is Earned & Not Given ~

For the month of February, we focus on the school value of *Respect*. This value encompasses respecting themselves and others. The Values of the Term (VOTT) will also be related to that school value. Students will hear from the teachers and school leaders how the school value of *Respect* is demonstrated in their everyday lives. We seek your assistance by reinforcing in our students the value of *Respect* at home.

Thank you and have a wonderful month ahead!

Warmest Regards,

Miss Loh Sing Huay
Principal
